Biography

Recognised as a leading and highly experienced insolvency and commercial litigation specialist, Alex has, since 2009, gained wide experience in civil and commercial litigation, arbitration and dispute resolution, general litigation, restraint of trade, liquidation applications, collections (goods sold and/or delivered), suretyships, guarantees and acknowledgements of debt, shareholders disputes, landlord and tenant disputes, insurance litigation, defamation and family law.

With clients in all sectors, Alex uses his substantial knowledge and expertise to assist with financial transactions, litigious aspects of corporate restructuring, commercial crime, court actions and applications, Magistrates and High Court litigation, trust disputes, and insurance and general claims.

Alex is an articulate and refined communicator with fluency in English and Spanish.

He has obtained his First Law International Best Ethical Practices and Compliance Training Certificate in Foreign Corrupt Practices Act (US/FCPA), Anti-Bribery Act (UK ABA) OECD, Anti-Money Laundering (UE AML) and National Legislation on Corruption, Bribery and Compliance Practices.

Alex obtained his LLB degree from the University of Pretoria.
